## Are You Looking For A Summer Daycare Program?

Join us this summer for "Camp VCA", as we explore the beauty of God's creation and learn of His never ending love for us! We will escape to a variety of locals and we will learn about God's wonderful design and His infinite love for us all! There is still room in our summer daycare program for children who are ages 5 to 12 years old.

Part-time and full-time daycare is available.

Stop by the school office and register your child today!

Our Summer Program begins Monday, June 19<sup>th</sup>.

### Yearbooks Are Available

There are still a couple of yearbooks available for \$17 each. If you would love to purchase one for your child, please stop by the school office.

### Final Payments / Daycare Payments

All financial accounts need to be paid in full and all school books, readers, and library books returned before final grades, records or test scores can be released. If you have any questions, please call the school office. Beginning this week if you use our before or after school daycare on a drop in basis, your payment will need to be made at the time of service. Receipts are available. Thank you! ☺

### Medication/Lost & Found

Anyone with medication, including inhalers, in the school office will need to pick it up on the last day of school unless you are enrolled in our summer program. We cannot store it over the summer.

**Any medication or items left in the lost and found after Friday, June 16th, will be discarded.**

### Vacation Bible School

At Deep Sea Discovery, kids dive into God's presence by delving deep into His word to see how He has been with His people every step of the way. Every child will sail away each day saying, "God is with me - everywhere I go! He KNOWS me, HEARS me, STRENGTHENS me, LOVES me, and SENDS me!" Hands on projects and sea science will help children experience VBS adventure like no other! This is a FREE program for children in Kindergarten through 6th grade on July 24th through July 28th from 9am to 12pm. Register today at
